BLUE LIGHT FILTER

Pocket

Pocket reading glasses with special ergonomic sides.

Thanks to the curvature of the sides and to the rubber temple tip this reader ensures a good adherence to the face and maintains the correct optical centres.

The lenses with blue light filter grant a better reading comfort on digital devices.

Spec Case Included.

For the woman that loves the brightly-coloured fabrics worn by the hippies. The lines, the geometric and floral patterns on the sides make the reading glasses minimal and unique.

DESIGN COLLECTION

Comfortable thanks to the flex side and elegant due to the metal end piece.
 More than a reader, it is adjustable thanks to the wired core of the side.
 Spec Case included.
