

# Frame with Clip-On LIGHT & FLEXIBLE CLIP-ON

# Magnetic Clip-On Included

**The clip-on is fixed to the frame through two magnets** which allow a perfect alignment with the front and total efficiency of the polarized lenses.

**The minimum thickness** and the low weight of the clip-on keep the frame's shape unchanged and make it nearly invisible.

## METAL BRIDGE

Change your look indoor and outdoor!

---

## METAL END-PIECE

Elegant and easy to wear.

---

## CLASSIC

A trendy and lightweight frame.

**METAL BRIDGE COLLECTION**  
Change your look indoor and outdoor!

# METAL BRIDGE

## COLLECTION

# Magnetic Clip-On mod. F0207

Extremely lightweight, comfortable and resistant frame with **metal bridge**, **adjustable temple tips** and **integrated hinges** with self-locking screws. **The magnetic clip-on with polarized lenses** changes the frame look due to the **double bridge** and the contrasting colours. Spec case and clip-on case included.
